Dear Resident,

Having spoken to many of you over the last few months, I am aware that many of you are disillusioned with politics and politicians, especially those in Westminster. If I am elected your Member of Parliament I would never expect the taxpayer to foot the bill for my furniture, my TV or my vacuum cleaner. And I would mow my lawn like everyone else. Let me assure you

that, should I be elected as your MP for Dudley South, I will publish fully any expenses I claim on a monthly basis, and would be answerable to all of you for any expenses that I did claim.

Yours faithfully,

Chris Kelly
Prospective Conservative MP for Dudley South

I would appreciate your views on the following 6 questions that mostly require a simple 'Yes' or 'No'

- 1 Do you agree with David Cameron and Chris Kelly that the people of this country should have their say in a referendum on the EU constitution, which gives even more power to Brussels?
 Yes No
- 2 Do you agree with Chris Kelly that the government should set a limit on the number of immigrants coming to the UK every year?
 Yes No
- 3 Due to the Labour Government's failure to build more prisons, thousands of prisoners are released early rather than serving their full sentence. Chris Kelly believes this is an insult to the victims of crime. He wants this practice stopped - do you agree?
 Yes No
- 4 Do you agree with Chris Kelly that 'real' police officers should be patrolling our streets rather than using Community Support Officers who have NO powers of arrest?
 Yes No
- 5 David Cameron has called for Gordon Brown to call an immediate General Election. Do you agree with his call for Labour to be held to account sooner rather than later?
 Yes No
- 6 Who will you vote for at the next General Election?
 Conservative Labour Liberal Dem UKIP Other Undecided
