Dear Councillor Heenan

I have published details of all my expenses on my website for some considerable time. Further general details about the allowance are available on the Parliament website.

If any constituent needs further details about any of my own expenses, I am happy to supply them. If you want them personally, I should be grateful if you could confirm your postal address when requesting them.

Yours sincerely

Michael Wills

Subject: High Court Ruling on the Parliamentary Second Home Allowances

Good Morning Mr Wills,

While talking to residents this week, I was asked about the High Court Ruling on the Parliamentary Second Home Allowances. This is a topic I don't know a great deal about so please could you let me know when you will be publishing a detailed breakdown of your use of the Parliamentary Communications Allowance and the Second Home Allowances. If this information is already available, please could you forward me a copy of the necessary files.
