Conservatives Take Control Of Council

We would like to thank all the people of Hobbayne who voted for us on 5th May and helped to bring about a New Council. Whether you voted for us or not, your Conservative councillors will be working for **you** during the next four years. During the campaign we pledged to clean up the borough and stop council taxes spiralling out of control. During the next four years we will be delivering those promises. We will keep you informed on our progress through this newsletter.

Council Withdraws Support For Tram

The local elections turned out to be a referendum on the tram. Across the borough people made their voice heard by voting for candidates who opposed it. During the local election campaign, we pledged to fight the tram.

The first action of the new Conservative administration was to withdraw its support from the tram. Ken's tram is not yet dead. But we have started to put nails in to its coffin.

Working Together on Crime prevention

We have established contact with Hobbayne's Safer Neighbourhood Team headed by Sergeant Dave Williams. We want to work with them, and you, to reduce crime and anti-social behaviour in our ward.

They have a limited supply of FREE Smartwater Kits to give away to residents. This has a proven track record in reducing burglaries. Each kit has

its own unique DNA type fingerprinting. When a stolen item is recovered, it can be easily identified and returned to its legitimate owner.

The police also have a limited supply of FREE locks for mopeds.

Both items are on a first come first serve basis. For details please contact Sgt. Dave Williams on 020 8721 2919.

Residents Associations

Although we have only been councillors for a short time, we have been in contact with a number of residents groups. We are keen to work closely with existing groups and would like to make contact with them. If you are a member of a residents' or voluntary group, please let us know the name of the group and a contact name. Thanks.

Meals On Wheels Prices Cut by 50p

Many elderly residents in Hobbayne will benefit from another manifesto commitment delivered by the new Conservative Administration. The Conservative cabinet has slashed 50p off the price of frozen meals on wheels. Under Labour, prices for meals on wheels were amongst the highest in the country. With this price reduction they are now well below the London average.
