A record of ACTION, a promise of MORE!

If you elect **Nick Gregory** to serve as your County Councillor, I will:

- WORK** with Hampshire County Council to prevent the effects of global warming and rising sea levels affecting our coastal areas.
- WORK** with local schools and Hampshire County Council Education Board to promote better understanding in our children of their environment to reduce vandalism and anti-social behaviour.
- WORK** with Hampshire County Council and the Police Authority to promote better understanding of the dangers of illegal parking within Portchester, and to find ways to enforce penalties on those who continue to ignore parking restrictions.
- WORK** with Fareham Borough Council and residents of Portchester to ensure that the right option for Portchester Community Centre is achieved and that it serves all sectors of the community with the right facilities and activities to encourage all-year-round use.
- WORK** to truly represent the views of all residents and community groups within Portchester to Hampshire County Council and Fareham Borough Council.
- WORK** to respond to all enquiries or concerns within 48 hours and to keep every resident of Portchester informed on local issues through the Conservative Party *In Touch* newsletter all year round, not just at election time.
- WORK** on ensuring that our heritage is here for our children's generation to enjoy and take care off in the future.

If elected I promise to ensure that the above issues are addressed and any others that may come to me during my term in office to the best of my abilities.

Personal live skills that I can offer the residents of Portchester if elected are:

- Good communicator with negotiating skills**
- Compassionate and discreet**
- Disciplined person, always completing any task through to the end**
