**A record of ACTION, a promise of MORE!**

**County Councillor Seán Woodward** says if re-elected I will continue to:

- WORK** to prevent the overdevelopment of the former Coldeast Hospital site. I will fight to have Fareham Borough Council take over most of the site as countryside with the aim of making it accessible to the public. I continue to support on-site Community Hospital provision which is now underway along with other new community facilities and footpaths.
- WORK** to bring to fruition planned cycleway and other improvements through Park Gate plus road safety measures near Brookfield School.
- WORK** with Police Community Support Officers and others in the area to bring about a further reduction in the levels of vandalism and anti-social behaviour.
- WORK** to protect Sarisbury Division from Government-imposed overdevelopment.
- WORK** to keep the County Council Tax to just a 1.9% increase next year.
- WORK** with Hampshire County Council to improve primary school provision for Whiteley followed as soon as possible with a secondary school so that Whiteley children are no longer forced to travel long distances out of their community for their education.
- WORK** to ensure that Hampshire County Council consults all residents affected by any possible opening of extra accesses to Whiteley onto Botley Road and to continue to work to complete Whiteley Way.
- WORK** to ensure that faulty street lights, poor footpaths and bridlepaths, uneven pavements etc are quickly remedied.
- WORK** to respond to your letters and telephone calls within 48 hours and to continue to keep you informed by regular publication of *InTouch* newsletters all year round and not just at election time.

**I intend to keep fighting on these and many other local issues**
