A record of ACTION, a promise of MORE!

Peter Latham says if elected I will:

- WORK** With local residents at the earliest possible stage where significant planning applications are likely to create major change to our quality of life and environment. I will fight to maintain the countryside with the aim of making it accessible to the public. Also to resist strongly any attempt by the Government to increase the number of houses to be built above the level already granted.
- WORK** To keep residents informed of any new agreements regarding the proposed Strategic Development Area (SDA), making sure that the necessary funding for infrastructure is in place prior to any commencement of building.
- WORK** To obtain funding from the Environment Agency so that work can continue to alleviate flooding in Wallington.
- WORK** To make sure the Residents' Parking Scheme is smooth running and that, if abused, enforcement action will be taken.
- WORK** To deliver quality services for the people of Fareham East.
- WORK** With Police and other agencies to maintain a safe Borough of Fareham, particularly in the town centre.
- WORK** To see the Council continues to be run in an efficient, cost effective and businesslike way.
- WORK** To preserve decent, common sense values and ensure the Council promotes these values, and does not experiment with political correctness.
- WORK** To keep you informed by regular publication of the *In Touch* newsletters all year round, not just at election time.

I intend to keep fighting on these and many other local issues.

Please make sure you return Peter Latham to represent you on Fareham Borough Council on Thursday, May 6. YOUR votes count.
