A record of ACTION, a promise of MORE!

Susan Bayford says if I am elected I will:

WORK to prevent the over-development of the former Coldeast Hospital site. I will fight to ensure that Adopted Development Brief for the rest of the site reflects the desires and aspirations of the local community. I will argue for the second Phase of the Community Hospital which has been local people's goal for so many years.

WORK to realise the planned Western Wards swimming pool and fitness suite which, like the Community Hospital, has been a long time coming to fruition due to difficulties in having a covenant removed from the access to the site owned by the Council at the Lockwood Centre. I believe that the pool should now be provided on the Coldeast site.

WORK to ensure that action is taken to reduce excessive speeds in critical areas, notably Church Road and Locks Road.

WORK with local residents to ensure that planning applications are dealt with fairly, ensuring that the quality of life for existing residents is preserved by arguing that any planning applications take into account the current poor infrastructure.

WORK to ensure that the planned redevelopment of the privately owned Lockwood Centre is provided at the earliest opportunity for the benefit of local residents and that the central car parking area is either developed or made available for visitors' parking.

WORK with Fareham Borough Council to see that faulty street lights, street signs, poor footpaths and uneven pavements etc are remedied speedily and that extra grit bins are provided and maintained at strategic locations.

WORK to speedily respond to your letters, emails and telephone calls and to continue to keep you informed by regular publication of *InTouch* newsletters all year round and not just at election time.

I intend to keep fighting on these and many other local issues.

Please vote for Susan Bayford to represent you on Fareham Borough Council on Thursday, May 6. YOUR votes count.
