A guarantee of ACTION, a promise of MORE!

Councillor Brian Bayford says if elected I will:

- WORK** to prevent the over-development of the former Coldeast Hospital site. Having worked hard to achieve an acceptable proposal for development on the site of the redundant buildings, I will fight to ensure the Adopted Development Brief for the rest of the site reflects the desires and aspirations of the local community. I will fight for the second Phase of the Community Hospital which has been my and local people's goal for so many years.
- WORK** to realise the planned Western Wards swimming pool and fitness suite which, like the Community Hospital, has been a long time coming to fruition.
- WORK** with local residents to ensure that planning applications are dealt with fairly, ensuring that the quality of life for existing residents is preserved by arguing that any planning applications take into account the current poor infrastructure.
- WORK** to ensure that the planned Surestart Centre to serve Park Gate and adjacent areas is provided speedily on the site proposed at Brookfield School.
- WORK** To work with local utilities to ensure that work is coordinated to avoid the continuous inconveniences of road works on the A27.
- WORK** with Fareham Borough Council to see that faulty street lights, poor footpaths and bridlepaths, uneven pavements etc are remedied.
- WORK** to respond to your letters and telephone calls within 48 hours and to continue to keep you informed by regular publication of *InTouch* newsletters all year round and not just at election time.

I intend to keep fighting on these and many other local issues.

Remember...YOUR votes count. Please make sure you return Brian Bayford to represent you on Fareham Borough Council on Thursday, May 6.
