A record of ACTION, a promise of MORE!

If you elect us, **Geoff Fazackarley** and **Andrew Smith** will:

WORK Together with Fareham Borough Council to push forward the building of a replacement Portchester Community Centre. The Borough Council has worked hard to achieve an acceptable proposal for the new centre; we will do our utmost to ensure that the plans reflect the desires and aspirations of the local community. We hope to help provide a stable Community Centre, which has been the goal of local residents and the Fareham Conservatives administration for many years.

WORK To ensure the play areas for our children are upgraded to meet the increasing needs of children and parents alike.

WORK With local residents to ensure that planning applications are dealt with fairly, ensuring that the quality of life for existing residents is preserved.

WORK With Hampshire County Council to ensure that sufficient educational provision is in place to cater for current needs as well as further development in the area with the eventual aim that, for example, children living in Portchester do not have to travel out of Portchester to be educated.

WORK Together with Hampshire County Council to continually improve public transport for all, especially the elderly and infirm.

WORK With Fareham Borough Council to see that faulty streetlights, poor footpaths and uneven pavements etc are remedied.

WORK To respond to your letters and telephone calls within 48 hours and to continue to keep you informed by regular publication of *InTouch* Newsletters all year round and not just at election time.

We intend to keep fighting on these and many other local issues. Remember...YOUR vote counts. Please make sure you return Geoff and Andrew to represent you on Fareham Borough Council on May 6.
