**A record of ACTION, a promise of MORE!**

**Councillor Seán Woodward** says if re-elected I will continue to:

- WORK** to prevent over-development of the former Coldeast Hospital site. I will fight to have Fareham Borough Council take over most of the site as countryside to make it accessible to the public. I will continue to call for a minor injury unit at the new Community Hospital, with other new community facilities – hopefully to include a swimming pool and community centre - and footpaths.
- WORK** to bring to fruition planned cycleway and other improvements through Whiteley to Swanwick railway station, plus road safety measures near Brookfield School and Whiteley Primary School.
- WORK** with Police, Community Support Officers and others in the area to bring about a further reduction in the levels of vandalism and anti-social behaviour.
- WORK** to protect Sarisbury Ward from Government-imposed over-development.
- WORK** to improve enforcement of parking restrictions throughout the area to prevent obstruction and to fight the scourge of pavement parking.
- WORK** with Hampshire County Council to improve primary school provision for Whiteley followed as soon as possible with a secondary school so that Whiteley children are no longer forced to travel long distances for their education.
- WORK** to ensure that the consultation I have requested of Whiteley, BurrIDGE and Swanwick residents affected by any possible opening of extra accesses to Whiteley onto Botley Road is taken full account of by Fareham Borough Council in considering any changes and to continue to work to complete Whiteley Way.
- WORK** to ensure that faulty street lights, poor footpaths and bridlepaths, uneven pavements, fly tipping etc are quickly remedied.
- WORK** to respond to your letters, e-mails and telephone calls within 48 hours and to continue to keep you informed by regular publication of *InTouch* newsletters all year round and not just at election time.

**I intend to keep fighting on these and many other local issues**
