

The only candidate with a proven track record to represent you effectively

**GEOFF has served Titchfield Division as County Councillor since 2005, but has been involved in politics since 1991.**

Re-elected to Hampshire County Council in June 2009, he now serves as vice-chairman of Transport in the Community Select Committee.

He is also chairman of Fareham Road Safety Committee, a member of Regulatory A and B Committees, vice-chairman of the River Hamble Harbour Board and a member of the County Standards Committee.

He also serves on three outside bodies and is a working member of the local community organisations.

#### **Earlier years**

He was General Sales Manager (Sub Saharan Africa) for International Telephone and Telegraph based in Nairobi, Kenya.

On returning to England, he worked with The Trident Trust, a charity placing year ten students in suitable work experience.

## A record of action, a promise of more

**GEOFF HOCKLEY has chalked up an impressive list of achievements.**

His constituents were so impressed, they had no hesitation in returning him to Winchester last year as County Councillor for Titchfield Division with a comfortable majority in a five-cornered contest.

So what exactly has he done?

#### **Fought for compensation**

He says: "Many of you will recall the wanton destruction of Sylvan Glade on the A27 near Segensworth.

"I fought Fareham Borough Council for compensation for my residents and two years later received confirmation that FBC would apologise, would replant the A27 at Sylvan Glade and pay compensation. This has all since been achieved.

#### **Speed reduction**

"I have chaired Titchfield and Catisfield Traffic Calming Committee for 5 years and obtained a reduction in the speed limit within historic Titchfield village to 20MPH.

"I have produced two different A3 stickers promoting safe 30MPH driving speeds and, with residents' total approval, put these on all wheelie bins in six roads in the Titchfield division.

"My residents tell me that traffic speed reduction has been achieved.

#### **School transport**

"I have obtained free transport to school for children of Whiteley residents attending St John the Baptist School at Titchfield Common and for a single mother forced to pay for transport for her son to travel to Henry Cort School.

#### **River extraction**

"I have won a long battle with The Environment Agency over the taking of water from the River Meon, which also dramatically affected the canal.

#### **Financial aid**

"I have provided 20 local organisations, including Abshot and Titchfield Community Centres and Catisfield Memorial Hall, with financial assistance.

"Many of you already know that I work long and hard for my constituents and that the matters I have reported on are just a few from a long list.

#### **Surgery**

"I hold a Surgery from 9.30am – 11.00am on the 2nd Saturday of every month at Abshot Community Centre which has substantially helped residents."

## Geoff, Keith and Connie .... by far the best team around

**GEOFF HOCKLEY** is married to Connie who has represented the Titchfield Ward for 13 years.

He said: "She is an exceptional Councillor and we make a strong team representing

Titchfield Ward at Fareham Borough Council and Titchfield and Titchfield Common Wards at Hampshire County Council.

"Another reason for voting for me is Keith Evans who already represents Titchfield Common.

"Keith has worked long and hard for his constituents and is an excellent Councillor.

"The combination of Keith and I,

Connie Hockley

Geoff Hockley

Keith Evans

two hard working local Conservative Councillors, would be a very successful combination and would benefit all residents of Titchfield Common Ward.

"Finally, I ask for your vote because I can make a difference; my record confirms it.

"I can't solve every problem but I will certainly try as hard as humanly possible.

"And the first thing I will do is help to reduce excessive vehicle speed in Titchfield Common.

"I intend to keep fighting on these and many other local issues.

"Remember...**YOUR** votes count. Thank you for your support."
