A record of ACTION, a promise of MORE!

Connie Hockley says if re-elected I will continue to:

- WORK** to continue the excellent achievements of the Conservative administration in Fareham.
- WORK** to ensure that the Ward of Titchfield receives the very best possible representation.
- WORK** with Police Community Support Officers and others in the area to bring about a further reduction in the levels of vandalism and anti-social behaviour.
- WORK** with residents and Hampshire County Council to address the ever-worsening traffic problems and 'rat-runs' caused to all areas of the Ward.
- WORK** to ensure that Fareham's Council Tax remains one of the lowest in the Country.
- WORK** with Hampshire County Council to ensure that faulty street lighting is swiftly corrected, damaged footpaths, uneven pavements and road carriageways are maintained in a good state of repair.
- WORK** with local residents at the earliest possible stage where significant planning applications are likely in order to ensure that the quality of life for the existing residents is preserved as much as possible.
- WORK** to respond to your letters and telephone calls within 48 hours and to continue to keep you informed by regular publication of *In Touch* newsletters all year round, not just at election time.

**I intend to keep fighting on these and many other local issues.
Remember...YOUR votes count.**

On Thursday, May 6 please make sure you choose Connie Hockley , the Conservative Party candidate, to represent you.

Always about people, **consistently** about caring
