A record of ACTION, a promise of MORE!

Councillor Trevor Cartwright says if re-elected I will continue to:

- WORK** to fight any proposal for mineral extraction at the Chilling and Brownwich sites south of Warsash Road with a strong message not to destroy our countryside.
- WORK** to prevent the over-development of the former Coldeast Hospital site. I will fight to have Fareham Borough Council take over most of the site as countryside with the aim of making it accessible to the public. I will continue to support on-site Community Hospital provision which is about to open with other new Community facilities and footpaths.
- WORK** to realise the planned Western Wards swimming pool and fitness suite.
- WORK** as a member of the River Hamble Management Committee to continue to fight to ensure that proper consultation is carried out with all river users regarding any changes.
- WORK** with local residents to ensure that planning applications are dealt with fairly, ensuring that the quality of life for existing residents is preserved.
- WORK** with Hampshire County Council to ensure that sufficient educational provision is in place to cater for current needs as well as any further development in the area.
- WORK** with Fareham Borough Council and Hampshire County Council to see that faulty street lights, damaged road surfaces, poor footpaths and bridlepaths, uneven pavements etc are remedied.
- WORK** to respond to your letters and telephone calls within 48 hours and to continue to keep you informed by regular publication of *In Touch* newsletters all year round and not just at election time.

I intend to keep fighting on these and many other local issues.

Please make sure you return Trevor Cartwright on May 6 to represent you on Fareham Borough Council. Remember ... YOUR vote counts.
