TACKLING GRAFFITI IN WEST SHOEBURY

SUMMER 2006

LET US KNOW WHAT YOU THINK

Dear resident,

Graffiti blights all our lives and local people should not have to put up with it as graffiti is ugly and fosters an atmosphere of disrespect, unease and fear. Graffiti is also criminal damage.

I and your local Conservative team are determined to make West Shoebury a safer and better place to live. We have therefore included below some useful numbers for reporting anti-social behaviour and overleaf details of what steps Conservatives are taking locally to help West Shoebury fight back against graffiti.

We also want your views on Graffiti in West Shoebury so that we can work together to address this problem. So please take a few minutes to complete our survey and help us to help you.

Best wishes

Cllr Derek Jarvis

CONSERVATIVES CLEAN UP IN WEST SHOEBURY WARD...

Local Conservatives recently launched a massive clean up of West Shoebury following the rising levels of graffiti that has plagued certain areas of the ward.

Cllr Derek Jarvis who lead the clean up team, said, "We promised local residents that your Conservative councillors would do all we could in fight against graffiti. In just one outing we removed several tags from local hotspots."

Whilst out on a recent walkabout session, local Conservatives found many new instances of graffiti in West Shoebury so we can seek the resources needed to work together.

Cllr Derek Jarvis added, "We have a duty to strive to maintain a clean and safe environment in West Shoebury."

"When local residents elect Conservatives, they expect us to deliver cleaner, greener and brighter local communities"
