CONSERVATIVES CLEAN UP IN WEST SHOEBURY

LOCAL COUNCILLORS REMOVE GRAFFITI FROM RAILWAY BRIDGE IN MAPLIN WAY...

Local Conservatives have recently launched a massive clean up on the railway bridge in Maplin Way following rising levels of graffiti.

Cllr Liz Day who led the clean up team said:

"We promised local residents that your Conservative councillors would do all we can in the fight against graffiti.

"In just one visit we removed several tags from this well known hotspot"

Your local Conservative councillors have asked local community support officers to keep a watch on the bridge to ensure the bridge remains graffiti free.

Cllr Tony Cox added:

"We have a duty to strive to maintain a clean and safe environment in West Shoebury. When local residents elect Conservatives they expect us to deliver, cleaner, safer and brighter communities."

ZEBRA CROSSING UPDATE

Following years of campaigning, by your local Conservative councillors the new crossing at the top of Ness Road is now fully operational.

Cllr Derek Jarvis who has led the campaign commented:

"We are delighted that this new crossing is now operational. This junction gets very busy and provides a safe crossing area for local school children."

INDEPENDENT PARTY WATCH...

The Independent Party in Southend make big claims in the local media that there should be more Independent councillors on Southend Council.

Did you know that despite telling residents they are not a political party they sit as a 'political party' on the council and have a party leader who draws a leaders salary from taxpayers.

Following further scrutiny from local Conservatives we can reveal that they 'can not be bothered' to hold regular surgeries for local residents.

Last year, the Independent Party also voted to **support** the budget set by the Conservatives. Why bother voting for an Independent when you can get the real thing!

RESIDENTS WARD SURGERY DETAILS

West Shoebury Conservatives are pleased to announce that the popular residents Ward Surgeries will continue in 2009.

Surgeries are held on the last Saturday of every month (Except Christmas, Easter or Bank Holiday weekends) at Thorpedene Community Centre in Delaware Road between 10:00 - 12:00.

This provides an opportunity for local residents to meet their ward councillors in person to discuss any local concerns. No appointments are necessary.

£2.9 MILLION FOR NEW SHOEBURY YOUTH CENTRE

The Shoebury Ward Conservative councillor's have been successful in securing £2.9 million funding for a new Youth facility next to the Shoebury swimming pool.

The new centre will include a new restaurant with a professional kitchen, a garden and terrace area, a dance studio, gym, a large sports hall with a climbing wall and shower facilities.

Additionally, there will be an IT suite, a soundproofed music area offering rehearsal and recording facilities, a snooker room, a bike

and motor vehicle workshop, a youth volunteering centre and office accommodation.

Upon hearing the news Cllr Tony Cox said:

"I'm delighted that Shoebury has secured this funding for what will be a fantastic facility.

"The existing Youth Centre is well used but isn't large enough for the number of young people who use it. The current building is over 50 years old and is becoming worn out"

Work is due to start in early 2009.
