2006 Local Election Special

Thank You!

Local Conservatives achieve one of the best results across the Town. Alliance Southend Party come a distant second

A personal message from your newly elected councillor Tony Cox

Dear Resident

I would like to express my thanks to all those who supported me by voting Conservative at the local elections on 4th May.

I live in the heart of our local community and am honoured that you chose me to serve as your local councillor.

You, the residents, have given me a mandate and I am eternally grateful for the chance that you have given me to

bring optimism, change and hope to West Shoebury.

I pledge to serve all residents irrespective of who they voted for.

Locally there is much to do and I look forward to working with my fellow colleagues to ensure that we deliver for West Shoebury.

Together, we need to strengthen our local community for the benefit of all.

Cllr Tony Cox

Local Lib Dem and Labour party leaders have been stunned by their collapse in support in West Shoebury.

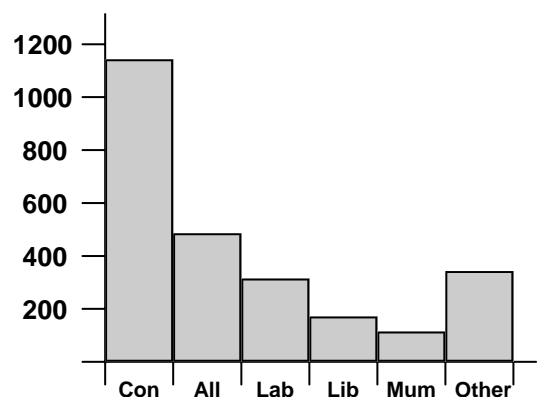

Labour came a disappointing fourth whilst the Lib Dems came a dismal fifth polling just a handful of votes more than the Mum's Army candidate!

So concerned are party bosses, there are fears that even their safest seats could be lost next time.

“We want local party politicians who tell the truth”

Voters message to Alliance Southend Party on 4th May.
