

CAMPAIGNING FOR SAFER ROADS

Roads, parking and traffic management require constant attention. Liz supports residents calls for mobile speed camera's in places like Church Road and Delaware Road. Liz is also working on a crossing in Ness Road so our children can cross the road safely. Many have spoken to Liz about the need for a bypass which Liz fully supports.

LEADING FOR OUR YOUNG PEOPLE

Liz wants better facilities for our young people like the youth centre in Delaware Road and welcomes the new Ice Rink in the Town Centre We also need a leisure centre that we can be proud of.

COMBATING ANTI-SOCIAL BEHAVIOUR

We must combat graffiti and anti-social behaviour. Those who indulge in the destruction of property must be faced down. Better facilities for our young people will help, but we need to send a clear signal that we will not tolerate anti-social behaviour.

FIGHTING OVER DEVELOPMENT

We love the character of Shoebury . Liz opposes over development and the Government's regional housing targets forced on us by the un-elected East of England Regional Assembly. Over development increases traffic, worsens parking congestion and puts a strain on the services we rely

"Liz will be a worthy successor to Tony. Like him she puts the community before party political considerations"

West Shoebury Resident

"Liz is a people person. I know I will be able to work with her to get the best results for our area"

James Duddridge MP

"I have known Liz for many years. She is a woman of ability and integrity. She is the candidate of choice"

Sir Teddy Taylor

"Liz is the very best for our area. She will be our strong voice in the Civic Centre"
