# ADIZONE COMES TO SHOEBURY PARK

Above: Picture of a previously installed adizone

Shoebury is to get its very own taste of London 2012 thanks to the installation of an adiZone - a multi sport outdoor gym venue.

They boast sporting facilities inspired by Olympic and Paralympic sports. These include a Basketball, Football and Tennis area, a climbing wall, an outdoor gym and an open area to encourage dance, aerobics and gymnastics.

It will be free to use and open 365 days a year. On hearing the news Cllr Tony Cox commented "We have fought long and hard for investment and this is the latest in a long line of improvements".

# West Shoebury Campaign Watch

## CAMERON'S 10 KEY PLEDGES

- 1 We will work with councils to freeze council tax for two years - saving over £200 for the typical family.
- 2 We will reassess 2.6million people on Incapacity Benefit to see if they are fit for work. Every out-of-work benefit claimant capable of doing so will be expected to work or prepare for work.
- 3 We will replace the Human Rights Act with a new British Bill of Rights to strengthen Britain's traditional liberties.
- 4 We will cut the number of MPs by ten percent, ministers pay by five percent and reduce the number, size, scope and influence of quangos.
- 5 We will honour the Military Covenant we have with our brave troops and make sure they are properly equipped to do their jobs. We will also introduce a free sports and entertainment Tickets for Troops programme.
- 6 We will cut corporation tax to create jobs, reform inheritance tax to encourage saving and build a stronger society by rewarding marriage and families in the tax and benefit system.
- 7 We will get to grips with national debt and public spending to keep interest rates lower for longer and boost investment - this is vital for the recovery.
- 8 We will help restore discipline to schools by giving heads the final say on exclusions. Our NHS is special so we will protect its budget.
- 9 If the Lisbon Treaty is not yet in force at the time of the next general election we will suspend ratification, hold a referendum and campaign for a No vote.
- 10 We'll double magistrates' sentencing powers from six months to a year and make sure knife offenders can expect to go to jail. And we will get more police officers on the street by slashing paperwork, including the stop and account form.

### 1. POLICE NUMBERS

**Labour's Claim:** David Cameron's cuts could mean fewer police officers

**Shadow Home Secretary Chris Grayling writes:** It is dishonest to claim that we are going to cut police officer numbers. Our plans are to cut

police bureaucracy which will mean there will be actually more police officers on the streets.

### 2. PENSION CREDITS

**Labour's Claim:** Pension Credits could be at risk of Tory cuts

**Conservative Work & Pensions Spokesman Theresa May writes:** It is dishonest to say that we will cut pension

credits. We have never said that we will cut pensions or pension credit.

### 3. WINTER FUEL ALLOWANCE

**Labour's Claim:** The Conservatives would scrap the Winter Fuel Allowance.

**Conservative Work & Pensions Spokesman Theresa May writes:** This is mischief making to claim that

We would scrap the Winter Fuel Allowance. I can state quite that we have no plans to scrap the Winter Fuel Allowance.

## YOUR GUIDE TO THE ELECTION RUNNERS AND RIDERS...

**James Duddridge MP has been re-selected as the Conservative candidate for the next election.** James lives in the constituency with his wife and young family. James has championed Shoebury's cause in Parliament. **Verdict: Very Strong Contender**

**The Labour Party is discredited and in disarray.** Labour have chosen a

candidate who lives in Lewisham. They have abandoned West Shoebury years ago with support for them dwindling. **Verdict: Going Backwards**

**Lib Dems Can't win and know it.** With no local councillors in the

Constituency, they have finished fifth in Shoebury on occasions. This makes them 100/1 outsiders. **Verdict: Wrong Choice**

### 4. FREE TV LICENCES AND BUS PASSES FOR THE ELDERLY

**Labour's Claim:** Ken Clarke has announced that the Conservatives are looking to scrap free TV licences and off peak bus travel for the elderly

**Ken Clarke writes:** This is total fiction. I have never said that we would scrap free TV licences and off peak bus travel for the elderly.
