Local West Shoebury Campaigner Chosen!

Rochford & Southend East MP James Duddridge backs Tony Cox to win the seat of West Shoebury in the May local elections.

Popular hard working local resident Tony Cox has been chosen as the Conservative candidate for West Shoebury in May's local elections.

Tony, 27, who lives in West Road was selected from a number of local hopefuls.

Tony who works as a Risk Analyst, is a school governor in the town and is a member of the Shoebury Community Centre's Charitable trust.

Speaking to In Touch Tony said:

"I am delighted to have been selected as the Conservative Candidate for West Shoebury.

"As a local resident I understand what matters to local people.

"The people of Shoebury are fed up being taken for a ride by Labour.

"The residents of West Shoebury deserve a fair

deal from this Government. It is completely unacceptable for this Government to divert money away from Southend to it's heartlands in the North whilst local services suffer. I will continue to fight for a fair deal for West Shoebury.

"Between now and the local elections, I will continue to work with our local Councillors."

The local elections are in May 2006.

Local Tories Welcome New Party Leader

Local Conservatives are delighted to welcome David Cameron as the new party leader.

David was elected as the Tory MP for the Witney constituency in West Oxfordshire in June 2001.

Born in 1966, David worked at a high level in both business and Government before becoming an MP. Since becoming the MP for Witney since 2001, David has been Shadow Secretary of State for Education

He has also been Shadow Leader of the House of Commons and Deputy Chairman of the Conservative Party in 2003.

David Cameron has avoided the temptation to issue all his policy statements immediately he was elected, preferring to take time and to gather fact and opinion.

This means that we have the opportunity to shape our future. So if you are interested in the issues of Poverty, Competitiveness,

Social Justice, Security, the Quality of Life, Health, Education and the Environment you are invited to join our Policy Group.

This group will meet regularly to discuss issues such as these and forward their opinions to those who will listen. Now is the time when we can shape our future, the future for our children and for our grandchildren. You can play a real part in this.

For further information please phone 600460.
