PROTECTING OUR PARKS

Cllr Tony Cox, has launched a campaign to protect the future of all Shoebury parks and open spaces following the Southend Council Labour Group's proposal to put Gypsy sites in our parks.

A number of local residents have already contacted the local Conservative team, extremely concerned at these proposals.

'Our parks and open spaces should be a place for all West Shoebury residents to enjoy and to take our children to play,' said Cllr Tony Cox

'Local Conservatives are now driving the campaign to protect children's play areas and sports facilities in our parks and open spaces.'
