THANK YOU SHOEBURY

Labour slump to fourth as West Shoebury votes Conservative

We would like to thank all the residents who took the time to vote Conservative at the European Elections in June.

Gordon Brown's Labour took a bloody nose which was followed by resignations from senior cabinet members. Local Labour party bosses are so worried that they could actually finish third in the next General Election.

Your local Conservatives are thankful for the trust you have shown in us and promise to work hard for all West Shoebury residents all year round. We will continue to campaign positively ensuring that West Shoebury residents get the best possible deal.

COMMENT

Change we can believe in

From the economy to crime we all seem to get is let down after let down. Gordon Brown's Labour Government is failing.

What we need is a fresh approach. The Lib Dems offer nothing. Neither do the Independent Party after being ruthlessly exposed opposite.

The Conservatives have led the way in West Shoebury. When times are tough residents need someone on their side.

Local resident and community campaigner Tony Cox is West Shoebury through and through. His CV stands out a mile.

Tony has a record of putting West Shoebury residents first and tackling the problems that matter to us most.

An experienced local campaigner with a record for action is just the kind of thing we need in West Shoebury.

Dear In Touch Editor

I'm confused because the Independent Party are claiming that the public do not support the East Beach improvements.

Is this true?

Mr G Smith
Shoeburyness

Thank you for your letter Mr Smith.

I'm afraid that the Independent Party are distorting the reality in

the local press. In an on line poll recently, over 65% were supportive of the Council's plans to improve East Beach for all.

The Conservatives believe that all residents should be aware of all the facts and not a distorted view of reality.

We have taken a principled stand on the matter and not had four views on East Beach unlike the Independent Party in Shoebury.

Independent Party Watch

Local residents have been shocked to discover that a Shoebury Independent Party councillor was against £350,000 improvements to East Beach when only a month earlier he told residents that he backed the improvements.

Recent revelations by local Conservatives have also found that the Independent Party in Shoeburyness are effectively the local Labour Party after a Labour Party website www.southend-on-sea-labour.org.uk links to the 'Independent Party' Shoeburyness website.

The Independent Party have also come under fire for suggesting that the recent travellers in Shoebury were oppressed minorities and should have had skips provided for them.

From Shoebury, for Shoebury

News Extra's exclusive interview with our 2010 election candidate

Tony Cox - standing up for West Shoebury.

Local resident, councillor and community campaigner, Tony wants to be re-elected as councillor for West Shoebury. West Shoebury News Extra asks Tony to tell us about himself and why he wants to be your local

councillor.

First of all tell us why here?

As a local resident I care about our community. There is no greater honour than representing the area that you live in.

Why do you think that you will continue to be a good councillor?

First of all I like meeting and listening to people and hearing what they have to say. I have a strong track record of getting things done and helping local residents. More importantly I am open and honest to local residents.

Being a politician is not a popular

job right now - why take on this challenge?

Precisely because it is a challenge. I am independently

minded and these are tough times.

I am deeply rooted in this community I want it to flourish and succeed.

What a mess!

Tony fights for changes to the law

Local resident Cllr Tony Cox has branded the law an ass following the recent problems of travellers in Shoebury.

Tony has criticised the law which prevents local council's removing travellers from public land quickly.

Tony was on the scene within one hour of the travellers settling on Gunners Park urging them to move on and condemns the recent Government announcement that public land could be made available for travellers - a policy which is supported by the Independent Party in Shoebury.

Travellers have recently caused a problem in Shoebury on Gunners park and the Shoebury War Memorial site.

New website a success

A new website, concentrating on local issues, has been hailed a stunning success by IT specialists.

West Shoebury conservatives launched their website in May, in order to showcase the work they are doing around Shoebury and Southend.

Local residents have visited the website in their thousands. It is kept up to date with a mixture of news, reports and letters. All residents comments and feedback to improve the site are welcome.
